Palin 'appalled' by Obama DOMA move

Palin emails (<http://nomblog.com/5503/>) the head of the National Organization for Marriage, Maggie Gallagher:

I have always believed that marriage is between one man and one woman. Like the majority of Americans, I support the Defense of Marriage Act and find it appalling that the Obama administration decided not to defend this federal law which was enacted with broad bipartisan support and signed into law by a Democrat president. It's appalling, but not surprising that the President has flip-flopped on yet another issue from his stated position as a candidate to a seemingly opposite position once he was elected.
